New York Stocks

New York, Oct. 10—A bearish interpretation was gleaned by traders on reports of the Washington unemployment conference and its possibilities of altering the freight rates and railway wages today. This gave a tone of heaviness to the carrier group in the early trading on the exchange.

Union Pacific started off at 121, off 1½ and southern Pacific 79½ off 2.

Development of the week end seemed to have no effect on the industrial list and transactions in this section bore the same general characteristics as at the closing hour on Saturday.

Demonstrations for a rise in Asphalt continued. The issue made a

new high on the move at 547½. Steel common was up 1½ at 79½. Baldwin was up 1½ at 87½ and Texas Co. up 1½ at 38½.

Oil shares monopolized attention in the first hours trading. Houston ran up 1 5-8 to 65. Standard Oil of New Jersey was unusually active, moving up 1 ½ to 48. Texas Co. made a new high on the move at 38½. Sinclair sold at 213-8 up 3-8, Cosden was up 1 ½ at 29; Union Oil was at 20 3-8 up 1, Phillips Petroleum at 263-8, up 3-8, and Texas and Pacific Coal and Oil at 26½, up 1 ½.

In eighteen counties there were 104 cases of disability, ten per cent of which were tuberculosis.

The report of the squad asked the cooperation of the Legion in twenty-two counties where there are a great many cases.

In the discussion of plans to relieve unemployment the members reported there are fifteen thousand jobless ex-service men in the state.

The convention is expected to reaffirm its stand on the soldiers' compensation bill now before Congress.

Jerome Caron and Karl Kennedy left today for Wabash to attend the annual state convention of the American Legion as delegates from Rush post No. 150. They will be the only representatives of the local post in attendance. They were not instructed on how to vote for state officers.

TAIL LIGHTS KEEP
LEAD ALL THE WAY

Set Two-Point Margin in First Innings of Andersonville Game and Never Are Headed

CRODDY LASTS 3 INNINGS

Compelled to Retire in Fourth on Account of Sore Arm and is Relieved by Wicker

The Tail Lights acted as pacemakers yesterday, and set a two point lead in the first inning and managed to keep a lead all of the way through, defeating Andersonville for the third time this season, 4 to 2.

Croddy pitched the first three innings for Andersonville and on account of a sore arm, was relieved by Wicker in the fourth. Each pitcher worked hard, but in the first frame, Rushville collected two runs of three hits and a base on balls.

Andersonville failed to score until the sixth inning when a couple of errors and a hit brought in two runs but Rushville had also made another point in the fourth, which still gave the locals a one point lead.

The golden opportunity for Andersonville to win the game took place in the second inning, when the bases were clogged, but the batter was unable to deliver a hit. Each team had a total of six men left on bases.

The game play by play:

First Inning

Andersonville—McCarty singled through second. Scott flew out to Smith and McCarty was caught off first when Smith threw in to Bennett. Talbert out, George to Bennett. No runs. One hit. No errors.

Rushville—Joyce walked. George up. Joyce stole second and George hit safely to right and scored Joyce. Bennett fanned and George took second on his third swing. Pierce popped to Croddy. Byrne singled to left scoring George. Clever hit for two bases to left, advancing Byrne to third. Smith fanned. Two runs. Three hits. No errors.

Third Inning

Rushville—George was out on a high fly to right. Bennett fanned. Pierce drew a walk, but was caught stealing. Ricketts to Pruitt. No runs. No hits. No errors.

Fourth Inning

Andersonville—Croddy singled. Pruitt fanned to Pierce. Morgan popped to Shaw. Wright out, Clever to Bennett. No runs. One hit. No errors.

Rushville—Wicker went in to relieve Croddy on the mound, and Moore took first for Andersonville. Byrne up, doubled to left field on first ball pitched. Clever popped to center. Smith up. Ricketts let ball get by him and Byrne stole third. Ricketts threw wild to third, and Byrne scored on his error. Smith out. Ricketts to Moore. Shaw out. Wicker to Moore. One run, one hit, one error.

Fifth Inning

Andersonville—Ricketts out, Clever to Bennett. Wicker safe on little pop up behind second and took second on passed ball. McCarty fanned to Smith. Scott grounded out, Shaw to Bennett. No runs. One hit. No errors.

Rushville—Sharp fanned. Joyce singled to right. George forced Joyce at second, Pruitt to Morgan. Bennett out on high infield fly to Morgan. No runs. One hit. No errors.

Sixth Inning

Andersonville—Talbert popped to Shaw. Moore was safe on Bennett's error on his grounder. Pruitt grounded to George who mussed up the play. Morgan up. Moore took third and Pruitt second on double steal. Morgan singled to right, scoring both runners but he was out at second, Byrne to Shaw. Wright fanned to Smith. Two runs. One hit. Two errors.

Rushville—Pierce drove the ball to Pruitt who mused it, but recovered in time to throw him out at first. Byrne was safe on Talbert's error of his hard hit grounder. Clever forced Byrne, Moore to Morgan. Smith of the wrecking crew.

PLAY TO A SCORELESS TIE

Arlington and Shelbyville Football Teams Battle on Even Terms

The Arlington Athletic club and Shelbyville Legion team battled to a scoreless tie Sunday in a well played game of football at Arlington. Approximately five hundred people saw the game.

Arlington received and was held for downs on its own 40 yard line. Shelbyville was held for a down. Arlington pushed the ball into Shelbyville territory where it remained until the end of the game. Shelbyville punted from its own five yard line which was the only time either goal was in danger.

The game ended with ball in Arlington's possession on Shelbyville's twenty yard line. Arlington was handicapped by the temporary loss of George Wilcoxen and Winslow. Arlington's play was ragged and lacked the necessary punch to put the ball over.

The game with Lawrence, Ind., was cancelled for next Sunday.

NEW YORK NOW
A GIANTS TOWN

With Count Two and Two, World Series Contenders Are Back Where They Were Wednesday

BETTER STRATEGIC POSITION

Giants Have Three Reliable Pitchers Left While Yankees Have Only Waite Hoyt

By HENRY L. FARRELL
(U. P. Staff Correspondent)

New York, Oct. 10.—Little Miller Higgins' chief desire in life now is to keep his Yankee lambs from being gobbled alive by the Giant lions. With the count even in the world's series and only one pitcher of known quantity to fall back on, there was a reason back of the glum expression on the face of the small boss of the Yanks.

From a wild, jabbering Yankee town, New York switched over to the Giants today. The same thousands of realistic fans who handed the National League champions the ice pitcher at the start of the series were backing McGraw with noise and money as the two clubs prepared today for the fifth battle of the series.

New York always wants only a winner and the Giants looked like sure winners yesterday when they battered their way through Carl Mays and took the fourth game.

With the count two and two, the two teams are back where they started from last Wednesday, but the Giants have worked their way to a better strategic position.

McGraw has Arthur Nehf, Jess Barnes and Phil Douglas for the three games necessary to win the championship, while Higgins has only Waite Hoyt and after the assault the Giants made on Carl Mays and Jess Barnes. While it is true the first two had beatings chalked up against them, they were great in defeat. The only Giant pitcher who has been hit hard was Fred Toney, whom Barnes relieved in Friday's game.

For the Yankees, Waite Hoyt had stood out as the only hurler with a clean record. His two-bit shutout in the second game was by far the finest performance in the series to date. Mays, after his initial shutout, was pounded unmercifully yesterday. Bob Shawkey, Jack Quinn, Rip Collins and Tom Rogers had all proven easy in Friday's batting orgy. Higgins had in reserve only Harry Harper, his southpaw, as yet untried in the series.

Neither McGraw nor Higgins would announce his pitching selection this morning.

The Giant chieftain, however, is expected to call on Nehf, the southpaw, while the Yankee most probably will select either Hoyt or Harper.

Higgins said he was not sure that Babe Ruth would be in the line up today.

The world's series is going to last just three more games than the Giants will be world's champions. We are getting an even break on the luck now and that's all the fellows wanted. Hoyt will be just as easy today as Mays was and after the Giants beat Hoyt what are the Yankees going to do?

By EDDIE BENNETT
Yankee's Official Mascot

"Before the series started, I said probably the Giants would win two games. Well, they have won two games and that is all they will win. Hoyt will beat them today sure, and then Harper or Shawkey or Quinn will beat them in a row."

MAYS LOST NONE
HIS OLD "STUFF"

Giants Just Started to Hitting Him in Fourth Game and Apparently Forgot to Stop

NO HELP FROM FRISCH EITHER

None of National League Champions Pitchers Have Been Hit Hard Except Fred Toney

By HAROLD D. JACOBS
(U. P. Staff Correspondent)

New York, Oct. 10.—Little Miller Higgins' chief desire in life now is to keep his Yankee lambs from being gobbled alive by the Giant lions.

With the count even in the world's series and only one pitcher of known quantity to fall back on, there was a reason back of the glum expression on the face of the small boss of the Yanks.

McGraw's outfit had the impetus of a steam roller descending the Woolworth building—worked up in their slaughter of the American League champions in the last two starts.

Only yesterday they had soundly trounced Higgins' pitching ace, Carl Mays and that without a single contribution from the bat of Frank Frisch.

But perhaps the most significant thing in this defeat of Mays was the fact he apparently lost none of his "stuff", the Giants just began to hit and forgot to stop. As matters stood before today's game, McGraw had three dependable pitchers who had shown their worth in the present series—Phil Douglas, Art Nehf and Jess Barnes. While it is true the first two had beatings chalked up against them, they were great in defeat. The only Giant pitcher who has been hit hard was Fred Toney, whom Barnes relieved in Friday's game.

For the Yankees, Waite Hoyt had stood out as the only hurler with a clean record. His two-bit shutout in the second game was by far the finest performance in the series to date. MOTHER! CLEAN CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, give a teaspoonful to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste out of the bowels, and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! AMUSEMENTS

At The Princess Two Days

In "Her Winning Way", the Real-art picture coming today and Tuesday to the Princess Theatre, Mary Miles Minter, the star, has a most engaging role as Ann Annington, a breezy young newspaper writer whose specialty is book reviews and literary interviews.

Her adventures hinge upon her assignment to get an interview with a popular but very shy young novelist, after she has declared in her column that he knows nothing about women and even less about love and romance.

To see the young man at all, it is necessary for Ann to do a neat bit of second-story work and then seize a fortunate opportunity to impregnate the new maid, who is expected that day to take care of Harold's bachelor apartment. The way in which she does this, and her quick meeting of the situations as they arise, provide unlimited humor.

Miss Minter has the support of Gaston Glass, as the novelist, and an exceptional cast including Fred Goodwins, Helen Dunbar, Grace Mors, John Elliott, Omar Whitehead and Carrie Clark Ward.

Polo Grounds, New York, Oct. 10. Waite Hoyt added another sparkling victory when he won his second world series game for the Yankees defeating the Giants 3 to 1 in a bitterly fought game today.

His victory made the count three and two in games for the series and gave the Giants a severe setback who had looked upon victory in this game as the turning point in the series.

Hoyt started off poorly in the first inning when the Giants got their only run of the game.

The attendance was 35,000.

The game play by play:

FIRST INNING

Yankees—Miller popped to Bancroft. Peck out, Frisch to Kelly. Ruth fanned. No runs. No hits. No errors.

Giants—Burns safe on a fumble by McNally. An error. Bancroft forced Burns, Peck to Ward. Frisch singled off Hoyt's glove. Bancroft stopping at second. Young walked, filling the bases. Quinn warmed up. Kelly singled to center, scoring Bancroft and Frisch stopped at third. E. Meusel fanned with his bat on his shoulder. Rawlings forced Kelly, Peck to Ward. One run. Two hits. Movie Colony Again Aroused In Death Probe

Al Stein, Comedy Director, Dies in Los Angeles Apartment Sunday Following Party. Poison or Bad Liquor Blamed by Authorities

(By United Press)

Los Angeles, Calif., Oct. 10—Jewell De Gren, Murray Rock and several additional persons in the life of the moving picture colony were sought by police today to shed what light they could on the mysterious death of Al Stein, comedy director.

Stein died Sunday following a "movie party" in his apartments. He died in extreme agony police said they had learned. Authorities said one of two things took his life—poison or bad liquor.

Mildred Bellwin and her chum Jean Munroe, both studio girls, have been held for investigation in connection with the case, police announced.

Investigation today revealed the fact that Miss Mildred Bellwin, an actress, had been living with Stein for several months, detective Sergeant Stelzriede and Smith said.

Miss Jean Munroe, also an actress, is alleged to have been living with Miss Bellwin.

It is this peculiar triangle which is being scrutinized for possible motive for murder, police said.

Stein, 27 years of age, was a director for the Century Comedies. He was assistant to Fred Fishback, alleged member of Fatty Arbuckle's party of San Francisco which resulted in the death of Virginia Rappe.

Notations on the Arbuckle case were found in Stein's pockets.

Police believe these were carried because of Stein's association with Fishback.

WILLIAM P. ROGERS EXPRESSES AT CHICAGO

Former Dean of Cincinnati Law School, Well Known in Rushville, Dies in Hospital

FREQUENTLY LECTURED HERE

William P. Rogers, about 65 years of age, of Cincinnati, who was well known here, died at the Presbyterian hospital in Chicago Sunday, according to a telegram received this morning by B. F. Miller, a close friend. Mr. Rogers suffered from cancer of the leg for some time and his leg was amputated. Following this he was afflicted with pneumonia from which he recovered, but was left in such a weakened condition that when new ailments developed, death resulted.

Mr. Rogers had many acquaintances in Rushville where he had frequently visited and spoken. On three different occasions in recent years he preached at the Main Street Christian church here and once lectured on "Peace." He also addressed the Century Bible class of the Christian church here several times.

Mr. Rogers was born in Monroe county, Indiana, was graduated at Indiana University and began the practice of law at Bloomington with Mr. Loudon, a former Glenwood, Rush county man. He served as Bloomington city treasurer and later became dean of the Indiana university law school. From there he went to the University of Cincinnati as dean of the law school, serving twelve years, after which he entered the general practice in Cincinnati. A few years ago Mr. Rogers bought an oil lease in Kentucky and became immensely wealthy.

The deceased is survived by the widow and three daughters, Mrs. Hunter and the Misses Norene and Catherine Rogers. The funeral will be held at Cincinnati Tuesday afternoon at two o'clock.

SIXTH INNING

Yankees—Ruth singled swinging. R. Meusel fouled to Kelly. Pipp out, Nehf to Kelly. No runs. No hits. No errors.

Giants—Kelly singled to center. E. Meusel forced Kelly, Ward to Peck. Rawlings popped to Miller. Smith out, Ward to Pipp. No runs. One hit. No errors.

BEGINS WORK ON TAX DUPLICATES

County Auditor Starts Annual Task With Anderson Township and Carthage Rates Certified

HIGHER IN ANDERSON IN 1922

Total Rate Will be \$1.85 Next Year Contrasted With \$1.55 This Year—Lower in Carthage

With Anderson township and Carthage local tax levies for 1922 certified to the county auditor, work has been started in the auditor's office on making the tax duplicates for next year.

The total rate in Anderson township for next year will be \$1.85 as compared with \$1.55 this year and the rate in Carthage will be \$1.81 for 1922 as compared with 2.01 this year.

Carthage's decrease of seventeen cents is due to a big cut in the local levies, which total 30 cents for next year as compared to sixty cents this year. The electric light fund tax was sliced from thirty to twenty cents and the corporation tax from 25 to 15 cents. The library tax was reduced from five to one cent.

Anderson township's local levies made by the trustee and advisory amounted to only four cents more than last year's local levies, the total for next year being 77 cents contrasted with 73 this year. The increase in the total rate for this township was due largely to the increase in the township gravel road bond and interest tax, which was fixed by the county council and jumped from 34 to 58 cents for next year. This was due to new roads built in the township.

The 1922 total rates for other taxing units in the county were announced on Friday, September 30, when the state tax rate was announced by the state board of tax commissioners. At that time it was shown that rates in six townships would be higher and in five lower. With Anderson increasing, it means that half of the townships will pay on a lower rate next year and the other half on a higher rate. Glenwood and Rushville city rates will be higher and Carthage will be lower.

A comparison of the local levies this year and next in Anderson township and Carthage is as follows:

Anderson Township

	1921	1922
Township fund	.02	.02
Road fund	.12	.08
Special school fund	.25	.30
Special school bond	.08	.08
Tuition fund	.24	.26
Township poor	.01	.025
Library fund	.01	.005

Carthage

	1921	1922
Electric light fund	.30	.20
Corporation tax	.25	.15
Library tax	.05	.01

STATE BANK OF DYER ROBBED AT NOON TODAY

Yeggmen Escape in Automobile With \$6,000 in Cash and \$4,000 in Liberty Bonds

PROBABLY FROM CHICAGO

Dyer, Ind., Oct. 10—The state bank of Dyer was held up and robbed of \$6,000 in cash and \$4,000 in liberty bonds shortly before noon today. The robbers escaped.

Two bank officials, W. N. Tettler and A. W. Sommel, were in the bank with four customers when the robbers entered. The customers were in a back room with Sommel drawing up some papers. The robbers ordered Tettler, who was behind the cashier's cage, to "stick 'em up", and then they rushed to the door of the back room and ordered the five men to stand against a wall.

One of the robbers held the men in the back room while the rest put all the currency in sight into bags. The door of the vault was open and the liberty bonds were added to the loot. They fled in a large touring car. They were believed to be from Chicago.

New York Stocks

New York, Oct. 10—A bearish interpretation was gleaned by traders on reports of the Washington un-employment conference and its possibilities of altering the freight rates and railway wages today. This gave a tone of heaviness to the carrier group in the early trading on the exchange.

Union Pacific started off at 121, off 1½ and southern Pacific 79½ off 1½.

Development of the week end seemed to have no effect on the industrial list and transactions in this section bore the same general characteristics as at the closing hour on Saturday.

Demonstrations for a rise in Asphalt continued. The issue made a

new high on the move at 54½. Steel common was up ½ at 79½. Baldwin was up ½ at 87½ and Texas Co. up ½ at 38½.

Oil shares monopolized attention in the first hours trading. Houston ran up 1½ to 65. Standard Oil of New Jersey was unusually active, moving up 1½ to 48. Texas Co. made a new high on the move at 38½. Sinclair sold at 213½ up 3½. Cosden was up 1½ at 29; Union Oil was at 20 3½ up 1; Phillips Petroleum at 263½ up 3½, and Texas and Pacific Coal and Oil at 26½, up 1½.

The whole list opened strong on the New York stock exchange today. Opening prices included:

Dangerous Bluffing

Talk of a railroad strike may properly be discounted. Even the vote of the railroad unions in favor of striking may be discounted. The

railroad men surely have more sense than to go on strike just now. If not, their leaders have more sense than to order a strike. But why, then, the strike vote?

It is plausibly explained that this vote is merely a weapon placed by the men in their leader's hands, to use in the game of negotiation with the railroads and the Railroad Labor Board.

That, however, is a dangerous weapon to flourish at this time whether loaded or not. It fosters industrial controversy when the great need is for industrial understanding and co-operation. A real transportation strike would upset the whole system of industry just when it is getting nicely started again. The mere threat of a strike is unsettling; it tends to lessen confidence and retard revival.

Such action is bad for the railroad unions, too, because it invites charges of inconsistency and bad faith. The 12 percent wage cut which the men are opposing was made by the Railroad Labor Board which represents the United States government, and which was provided by legislation urged by the railroad men themselves. Everybody knows, moreover, that the high wages of last year were scaled to meet the cost of living, and that the cost of living has fallen now more than 12 percent.

Irish Reality

"We have come to the threshold of realities," says the London Daily Mail, speaking of the coming Irish conference opening this week.

It is high time. For ten precious weeks the leaders of the British Government and the Sinn Fein have been wandering in an unreal maze of controversial correspondence.

For ages England persisted in ignoring realities with regard to Ireland. Lately it has seemed to American observers that Ireland was given over-much to the same Truthteller attitude. It has seemed that England at least realized the true situation, and was offering enough to enable the Irish to realize their long deferred hopes—and offering all that England could offer. At the same time there has been a growing doubt as to whether De Valera was really the George Washington of Ireland, or only its Carranza. At last, fortunately, De Valera seems to see that the assurance of nine-tenths of a loaf is better than the Quixotic hope of a whole loaf.

The proposal that the sales tax be included in the new tax bill will further antagonize the agricultural "bloc", which has done more than its share of blocking legislation already.

WORLD'S PRESS CONGRESS OPENS

Practically Every Civilized Country Is Represented at the First Session in Honolulu

MANY SPEAKERS ON PROGRAM
Congress Regarded as Initial Step in Formation of International League of Newspapers

(By United Press)

Honolulu, Oct. 10.—The first Press Congress of the World opens here tonight with practically every civilized country represented.

This was generally regarded as the initial step in formation of an international "league of newspapers", devoted to promotion of world peace and a better understanding between nations.

The opening session was scheduled for night to permit hundreds of delegates arriving from the United States on the steamer Matsonia to get their "land legs". It was devoted to addresses of welcome and responses. After tomorrow's session, when committees will be appointed and a message read from Warren G. Harding, publisher of the Marion Star, an adjournment will be taken until October 17.

In the interim the delegates will devote themselves to recreation and sightseeing. Speakers at the first formal session after reconvening will be Walter Williams, dean of the Missouri School of Journalism and president of the congress; Mark Cohen, editor of Dunedin (New Zealand) Evening Star; Thales Coutoupias, editor and manager of Nea Ellas, Athens; Ludvig Saxe, editor of Verdens Gang, Christiania; K. Sugimura, editorial writer of Asahi Shinbun, Tokio; W. D. Hornaday, professor of Journalism, University of Texas; Walter B. Pitkin, professor of philosophy, Pulitzer School of Journalism, Columbia University, and Hollington T. Kong, editor of the Weekly Review of the Far East, Peking.

Other speakers during the congress, which concludes October 21, will be:

Virgilio Rodriguez Belote, Central American Press Association, Guatemala City; Joe Mitchell Chapple, editor of the National Magazine, Boston; Mrs. Georgina Townsend, editor of the Southern California Women's Press Association, Los Angeles; Dr. Mien Mu T. Wang, Shun Pao, Shanghai; Major Alexander Stevens, editor of Northumberland and Berwickshire Newspapers, Ltd., Berwick England; Herbert L. Bridgeman, business manager Brooklyn (N.Y.) Standard-Union; Gregorio Nieva, editor Philippine Review, Manila; Colonel Edward Frederick Lawson, assistant manager London Daily Telegraph; Guy Innes, proprietor Melbourne Herald; James Wright Brown, owner, editor and publisher, New York; Franklin P. Glass, past-president American Newspaper Publishers' Association; B. G. Horniman, president Press Association of India Bombay; Masujiro Honda, special writer, Tokio; William Southern, Jr., editor Independence (Mo.) Daily Examiner; Riley H. Allen, editor Honolulu Star-Bulletin; James Schermerhorn, publisher Detroit Times; B. W. Bailey, proprietor Bureau County Republican, Princeton, Ill.; Mrs. John T. Warren, president Honolulu Press Club; Major H. W. Paton, special writer Los Angeles Examiner.

The proposal that the sales tax be included in the new tax bill will further antagonize the agricultural "bloc", which has done more than its share of blocking legislation already.

TAIL LIGHTS KEEP
LEAD ALL THE WAY

Set Two-Point Margin in First Innings of Andersonville Game and Never Are Headed

CRODDY LASTS 3 INNINGS

Compelled to Retire in Fourth on Account of Sore Arm and is Relieved by Wicker

The Tail Lights acted as pacemakers yesterday, and set a two point lead in the first inning and managed to keep a lead all of the way through, defeating Andersonville for the third time this season, 4 to 2.

Croddy pitched the first three innings for Andersonville and on account of a sore arm, was relieved by Wicker in the fourth. Each pitcher worked hard, but in the first frame, Rushville collected two runs of three hits and a base on balls.

Andersonville failed to score until the sixth inning when a couple of errors and a hit brought in two runs but Rushville had also made another point in the fourth, which still gave the locals a one point lead.

The golden opportunity for Andersonville to win the game took place in the second inning, when the bases were clogged, but the batter was unable to deliver a hit. Each team had a total of six men left on bases.

The game play by play:

First Inning

Andersonville—McCarty singled through second. Scott flew out to Smith and McCarty was caught off first when Smith threw in to Bennett. Talbert out, George to Bennett. No runs. One hit. No errors.

Rushville—Joyce walked. George up. Joyce stole second and George hit safely to right and scored Joyce. Bennett fanned and George took second on his third swing. Pierce popped to Croddy. Byrne singled to left scoring George. Clever hit for two bases to left, advancing Byrne to third. Smith fanned. Two runs. Three hits. No errors.

Third Inning

Andersonville—McCarty was out in a roller. Shaw to Bennett. Scott walked. Talbert hit into a double play, Shaw to Joyce to Bennett. No runs. No hits. No errors.

Rushville—George was out on a high fly to right. Bennett fanned. Pierce drew a walk, but was caught stealing. Ricketts to Pruitt. No runs. No hits. No errors.

Fourth Inning

Rushville—Wicker went in to relieve Croddy on the mound, and Moore took first for Andersonville. Byrne up, doubled to left field on first ball pitched. Clever popped to center. Smith up. Ricketts let ball get by him and Byrne stole third. Ricketts threw wild to third, and Byrne scored on his error. Smith out. Ricketts to Moore. Shaw out, Wicker to Moore. One run, one hit, one error.

Fifth Inning

Andersonville—Ricketts out, Clever to Bennett. Wicker safe on little pop up behind second and took second on passed ball. McCarty fanned to Smith. Scott grounded out, Shaw to Bennett. No runs. One hit. No errors.

Rushville—Sharp fanned. Joyce singled to right. George forced Joyce at second. Pruitt to Morgan. Bennett out on high infield fly to Morgan. No runs. One hit. No errors.

Sixth Inning

Moore took third and Pruitt second on double steal. Morgan singled to right, scoring both runners but he was out at second. Byrne to Shaw. Wright fanned to Smith. Two runs. One hit. Two errors.

Rushville—Pierce drove the ball to Pruitt who muffed it, but recovered in time to throw him out at first. Byrne was safe on Talbert's error of his hard hit grounder. Clever forced Byrne, Moore to Morgan. Smith

PLAY TO A SCORELESS TIE

Arlington and Shelbyville Football Teams Battle on Even Terms

The Arlington Athletic club and Shelbyville Legion team battled to a scoreless tie Sunday in a well played game of football at Arlington. Approximately five hundred people saw the game.

Arlington received and was held for downs on its own 40 yard line. Shelbyville was held for a down. Arlington pushed the ball into Shelbyville territory where it remained until the end of the game. Shelbyville punted from its own five yard line which was the only time either goal was in danger.

The game ended with ball in Arlington's possession on Shelbyville's twenty yard line. Arlington was handicapped by the temporary loss of George Wilcoxen and Winslow. Arlington's play was ragged and lacked the necessary punch to put the ball over.

The game with Lawrence, Ind., was cancelled for next Sunday.

NEW YORK NOW
A GIANTS TOWN

With Count Two and Two, World Series Contenders Are Back Where They Were Wednesday

BETTER STRATEGIC POSITION

Giants Have Three Reliable Pitchers Left While Yankees Have Only Waite Hoyt

By HENRY L. FARRELL
(U. P. Staff Correspondent)

New York, Oct. 10.—Little Miller Huggin's chief desire in life now is to keep his Yankee lambs from being gobbled alive by the Giant lions. With the count even in the world's series and only one pitcher of known quantity to fall back on, there was a reason back of the glum expression on the face of the small boss of the Yanks.

From a wild, jubilant Yankee town, New York switched over to the Giants today. The same thousands of realistic fans who handed the National League champions the ice pitcher at the start of the series were barking McGraw with noise and money as the two clubs prepared today for the fifth battle of the series.

New York always wants only a winner and the Giants looked like sure winners yesterday when they battered their way through Carl Frisch.

But perhaps the most significant thing in this defeat of Mays was the fact he apparently lost none of his "stuff," the Giants just began to hit and forgot to stop. As matters stood before today's game, McGraw had three dependable pitchers who had shown their worth in the present series—Phil Douglas, Art Nehf and Jess Barnes. While it is true the first two had beatings chalked up against them, they were great even in defeat. The only Giant pitcher who has been hit hard was Fred Toney, whom Barnes relieved in Friday's game.

For the Yanks, Waite Hoyt had stood out as the only hurler with a clean record. His two-bit shutout in the second game was by far the finest performance in the series to date. Mays, after his initial shutout, was pounded unmercifully yesterday. Bob Shawkey, Jack Quinn, Rip Collins and Tom Rogers had all proven easy in Friday's batting orgy. Huggins had in reserve only Harry Harper, his southpaw, who yet entered in the series.

Neither McGraw nor Huggins would announce his pitching selection this morning.

The Giant chieftain, however, is expected to call on Nehf, the southpaw, while the Yankee most probably will select either Hoyt or Harper.

Huggins said he was not sure that Babe Ruth would be in the line up today.

"The world's series is going to last just three more games than the Giants will be world's champions. We are getting an even break on the luck now and that's all the fellows wanted. Hoyt will be just as easy today as Mays was and after the Giants beat Hoyt what are the Yankees going to do?"

By EDDIE BENNETT
Yankee's Official Mascot
(Written for United Press)

"Before the series started, I said probably the Giants would win two games. Well, they have won two games and that is all they will win. Hoyt will beat them today sure, and then Harper or Shawkey or Quinn will beat them in a row."

MAYS LOST NONE
HIS OLD "STUFF"

Giants Just Started to Hitting Him in Fourth Game and Apparently Forgot to Stop

NO HELP FROM FRISCH EITHER

None of National League Champions Pitchers Have Been Hit Hard Except Fred Toney

By HAROLD D. JACOBS
(U. P. Staff Correspondent)

New York, Oct. 10.—The Giants and Yankees were all square when they entered the fifth game of the world's series today, but the former were coming and the latter going.

McGraw's outfit had the impetus of a steam roller descending the Woolworth building—worked up in their slaughter of the American League champions in the last two starts.

Only yesterday they had soundly trounced Higgins' pitching ace, Carl Mays and that without a single contribution from the bat of Frank Frisch.

But perhaps the most significant thing in this defeat of Mays was the fact he apparently lost none of his "stuff," the Giants just began to hit and forgot to stop. As matters stood before today's game, McGraw had three dependable pitchers who had shown their worth in the present series—Phil Douglas, Art Nehf and Jess Barnes.

With the count two and two, the two teams are back where they started from last Wednesday, but the Giants have worked their way to a better strategic position.

McGraw has Arthur Nehf, Jess Barnes and Phil Douglas for the three games necessary to win the championship, while Higgins has only Waite Hoyt and after the assault the Giants made on Carl Mays, the ace of the Yankees pitching staff young Hoyt does not promise as much as he did after the first start.

Harry Harper is an unknown quantity. When he is right he is there, but his tendency to wildness makes him a doubtful starter. The Giants are about the best waiters in baseball and Harper does not like to be waited on.

Neither McGraw nor Higgins would announce his pitching selection this morning.

The Giant chieftain, however, is expected to call on Nehf, the southpaw, while the Yankee most probably will select either Hoyt or Harper.

Huggins said he was not sure that Babe Ruth would be in the line up today.

AMUSEMENTS**At The Princess Two Days**

In "Her Winning Way", the Realart picture coming today and Tuesday to the Princess Theatre, Mary Miles Minter, the star, has a most engaging role as Ann Annington, a breezy young newspaper writer whose specialty is book reviews and literary interviews.

Her adventures hinge upon her assignment to get an interview with a popular but very shy young novelist, after she has declared in her column that he knows nothing about women and even less about love and romance.

To see the young man at all, it is necessary for Ann to do a neat bit of second-story work and then seize a fortunate opportunity to impersonate the new maid, who is expected that day to take care of Harold's bachelor apartment. The way in which she does this, and her quick meeting of the situations as they arise, provide unlimited humor.

Miss Minter has the support of Gaston Glass, as the novelist, and an exceptional cast including Fred Goodwin, Helen Dunbar, Grace Morris John Elliott, Omar Whitehead and Carrie Clark Ward.

WATER AND LIGHT BILLS DUE

George G. Helm, city treasurer today wished to call attention to the water and light customers who are delinquent on their accounts for the last reading. All bills for water and electricity must be paid by the 20th of the month or else the service will be ordered discontinued. After the reading of the meters, the bills are due before the tenth of the month, and today there were several bills not paid, and are now past due.

LOSS OF PEP**Many Motorists**

do not realize that a corroded or dirty carburetor is often the cause of the loss of "pep" in their cars, which annoys them so much. Yet this is a very vital fact.

The carburetor is very delicate and must be clean at all times and properly adjusted, otherwise your engine WILL NOT RUN SMOOTHLY.

Carburetor work receives special attention at this garage. It means better service from your car and greater enjoyment for yourself.
